The Nagarjun- Jamcho day hike, is also known as Jamacho hike at an elevation of 2150meters, a short, easy, one-day hike in Shivapuri National Park near Kathmandu Valley, Nepal. This one day Shivapuri hike offers amazing views on Mountain ranges, monastery, caves and wildlife.

One Day Nagarjun- Jamcho Hike Overview

The starting point of Nagarjun day hike begins from the park entrance gate, near Balaju By-pass. Hike takes around 5 hours, including 15minutes drive to Phulbari Gate and 3 hours of uphill walk to the hill top of Nagarjun. Jamcho day hike takes you through forest trails, so you should be aware of wild boars and other wildlife. One should also be very careful, not to disturb any of the animals and plants on the way, mainly avoid disturbing monkeys, as this is against national park law, if caught you could be fined under the continuation of government.

Once you reach the top, you will be able to see the Langtang Himalayan ranges like Ganesh Himal, Gaurishankar, Shisapangma, Dorjee Lakpa and Jugal Himal, or you might just see a bird eye view of Kathmandu Valley depending on the day and weather. If you are curious about plants and birds, you also might notice different species of birds as well.

Hiking, walking in nature as a recreational activity that promotes physical fitness and stress relief, and requires on special equipment.
