One-day Hiking in Shivapuri, Nepal near Kathmandu Valley, offers many highlights, including flora and fauna, wild life, surrounding mountains like Langtang and Kathmandu Valley in a clear day and two scared sites, Hindu Temple (Budhanilkantha) and Buddhist Monastery (Nagi Gumba).

Day hike to Shivapuri Nagi Gompa Overview

Day hike through Shivapuri hike or Nagi Monastery hike offers close view of diverse plants and animals. Shivapuri Nagi Gompa hike is a short day hike: 30 to 45 drive followed by 3- 4 hours of hike, starting from Budhanilkantha through woodlands of Shivapuri National Park to Nagi Gompa. Hiking near Kathmandu Valley to Shivapuri Nagi Gumba is a mild hike to refresh mind and get in deep relation with nature, but it does involve some steep section and elevation gain, so it requires a reasonable level of fitness.

The major Highlights of Shivapuri Nagi Gompa day hike are Budhanilkantha hindu pilgrimage site, which features the statue of Lord Vishnu in sleeping position on snake, Nagi Gompa, where you can meditate and meet the nuns, Jungle walk where you can see rare plants and animals, and a natural songs of birds as you walk through the forest lastly Shivapuri peak, which offers many other peaks including Mt. Ganesh Himal and Mt.Gaurishanker.
